Subject: 2008-09 Grand Prix
Registration and Fund-Raising

The deadline for Registration and Fund-Raising is *October 31, 2008.*

Enclosed in this mailing is:

- 1) Center Summary Form
- 2) New Bowler Registration Form-reproduce as necessary
- 3) Re-Registration Form -reproduce as necessary / or use copy of center report
- 4) Transfer and Dual Registration Form
- 5) Change of Information Form
- 6) Point Evaluation Form - Needed only if you want to change your point system.

Suggestion for filling-out the **Re-registration form:**

If you have several bowlers that will continue bowling again this year, you may want to make a copy of your **center report** and mark the youths to be **re-registered** only on the form and submit that list to us.

The minimum fund-raising is \$ 20.00 per youth and the registration fee is \$5.00 per bowler, a total of (\$25.00) per child. It is important to remember that you should raise more than the minimum amount because it gives the bowler more dollars per child at the end of year.

If you are a new center registering for the first time the following forms are needed: Center Summary, New Bowler Registration, Point Evaluation and possibly the Transfer form (only if a bowler is transferring from another center).

Caution: To protect your bowler's previous year's scholarship dollars **please** make sure **that you use the same I.D. number when Re-Registering.**

If you need help with completing the forms please call me @ 512/467-9331 or email k.miller@texasbowlingcenters.org.
